It means a lot when someone remembers you or someone you love!

A Life Remembered - A Birthday Remembered

An Anniversary Remembered - A Friend Remembered

A meaningful way to show someone you care and love them is to donate in their honor or memory. Your gift will be applied to the debt that is owed on the Christian Life Center. A card will be sent to them letting them know of your kind remembrance and a notice will be placed in our monthly church calendar that is posted on the church website and emailed out to our church.
